1. SHORT TITLE, APPLICABILITY AND DEFINITIONS

1.1 These regulations shall be called the **[Institution Name] Academic Regulations 2026** and apply to all students admitted to undergraduate programmes from the academic year 2026-27 onwards.

1.2 The Academic Council is the competent authority to frame, amend and interpret these regulations, subject to approval of the Governing Body and the requirements of statutory bodies.

1.3 In these regulations, unless the context requires otherwise:

(a) **Academic Year** means a period of two consecutive semesters (odd and even), each with a minimum of 90 working days.

(b) **Credit** is a unit of measure of the weekly workload: one hour of lecture or tutorial, or two to three hours of practical work, per week per semester.

(c) **Course** means a theory, practical, project, or any other component of the curriculum carrying a unique code.

(d) **CGPA** and **SGPA** mean Cumulative and Semester Grade Point Average respectively.

(e) **Head of Department (HoD)**, **Principal** and **Controller of Examinations (CoE)** have their usual institutional meanings.

2. ADMISSION AND ELIGIBILITY

2.1 Admission shall be made on merit through the procedure notified by the State Government, the affiliating university, or the institution, as applicable, including any reservation policy in force.

2.2 A candidate must have passed the qualifying examination (Higher Secondary / 10+2 or equivalent) with the minimum subjects and marks prescribed for the chosen programme.

2.3 Lateral entry candidates (Diploma holders or B.Sc. graduates, where permitted) shall be admitted directly to the third semester, subject to bridge courses specified by the Board of Studies.

2.4 Admission is provisional until original certificates are verified. Any admission found to be based on false or forged documents shall be cancelled at any stage.

2.5 Transfer of students from other institutions is permitted only where seats are vacant, equivalence of courses is established, and the Academic Council has given approval.

3. PROGRAMME STRUCTURE AND CREDITS

3.1 Each programme is organised into semesters, with the following normal and maximum durations:

Programme	Semesters	Normal Duration	Maximum Duration
4-year Bachelor's (B.E. / B.Tech.)	8	4 years	7 years
3-year Bachelor's (B.Sc. / B.Com. / BBA)	6	3 years	5 years
Lateral Entry (B.E. / B.Tech.)	6	3 years	6 years

3.2 The curriculum comprises the following course categories: Basic Sciences, Humanities and Management, Core Courses, Professional Electives, Open Electives, Laboratory Courses, Mini Project / Project Work, Internships, and Mandatory Non-credit Courses.

3.3 A student shall earn the minimum total credits prescribed in the approved curriculum (for example, 160 credits for a 4-year B.E. / B.Tech. programme) to be eligible for the degree.

3.4 A student may register for a minimum of 16 and a maximum of 28 credits in a semester, unless otherwise permitted by the Academic Council.

3.5 Internships, value-added courses, and online courses (such as NPTEL / SWAYAM) may be credited as per the credit-transfer guidelines approved by the Academic Council.

4. ATTENDANCE REQUIREMENTS

4.1 A student shall be eligible to appear for the end-semester examination only if the student has put in a minimum of **75%** attendance in aggregate of all courses in the semester.

4.2 Condonation of shortage of attendance up to 10% (i.e. between 65% and 75%) may be granted by the Principal on medical or other genuine grounds, supported by documents and on payment of the prescribed condonation fee.

4.3 Students with attendance below 65% shall not be permitted to appear for the end-semester examination and shall repeat the semester with the subsequent batch.

4.4 Up to 10 days of attendance may be granted for representing the institution or the university in sports, cultural, or technical events, on the recommendation of the HoD and with prior approval.

4.5 Attendance shall be computed from the date of commencement of classes, and consolidated attendance shall be displayed to students at least twice per semester.

5. REGISTRATION AND COURSE ENROLMENT

5.1 Every student must register for the courses of the semester within the dates notified in the academic calendar, after clearing all dues.

5.2 Registration for electives shall be done in consultation with the faculty advisor. Elective courses are offered only if a minimum number of students (normally 15) enrol.

5.3 Add / drop of courses is permitted within the first two weeks of the semester, subject to the minimum and maximum credit limits.

5.4 Each student shall be assigned a faculty advisor who guides the student on course selection, academic progress and well-being.

6. ASSESSMENT AND EXAMINATIONS

6.1 Performance in each course is assessed through Continuous Internal Assessment (CIA) and the End-Semester Examination (ESE), with the weightage below:

Course Type	Internal (CIA)	End-Semester (ESE)	Minimum to Pass
Theory	40 marks	60 marks	40% in ESE and 50% overall
Laboratory	60 marks	40 marks	50% overall
Project / Viva	50 marks	50 marks	50% overall

6.2 Continuous internal assessment for theory courses shall include at least two periodic tests (best of the two considered), assignments, quizzes, and other activities as specified by the course instructor.

6.3 End-semester examinations shall ordinarily be of three hours' duration for theory courses and shall cover the entire syllabus.

6.4 A student who is absent for an internal test for a valid reason may be allowed a make-up test, with the approval of the HoD.

6.5 The Controller of Examinations shall be responsible for the conduct of examinations, valuation, publication of results, and maintenance of confidential records.

6.6 Examination hall rules: students must carry their identity card and hall ticket, and shall not carry mobile phones, smart watches, or any unauthorised material into the examination hall.

7. GRADING SYSTEM AND CGPA

7.1 Marks obtained in each course shall be converted into letter grades on a 10-point scale as follows:

Marks (%)	Letter Grade	Grade Point	Remarks
90 - 100	O	10	Outstanding
80 - 89	A+	9	Excellent
70 - 79	A	8	Very Good
60 - 69	B+	7	Good
55 - 59	B	6	Above Average
50 - 54	C	5	Pass
Below 50	RA	0	Reappear
-	AB	0	Absent

7.2 **SGPA** = $\Sigma(C_i \times G_i) / \Sigma C_i$, where C_i is the credit of course *i* and G_i is the grade point obtained in that course, summed over all courses registered in the semester.

7.3 **CGPA** is computed in the same manner, over all courses registered in all completed semesters, excluding non-credit courses.

7.4 Where a course has been repeated, the grade obtained in the latest attempt shall be used for computing CGPA, and the earlier attempt shall be shown in the record of performance.

7.5 An approximate percentage may be reported as: Percentage = CGPA × 10, if required for external purposes.

8. PROMOTION AND PROGRESSION

8.1 A student shall be promoted from one semester to the next if the student satisfies the attendance requirement and has registered for the semester examinations.

8.2 Promotion from the second year to the third year (and similarly from the third to the fourth year) shall require that the student has cleared all courses of the first two semesters (respectively the first four semesters), subject to a maximum of [two] pending courses, as specified by the Academic

Council.

8.3 A student who fails to satisfy the conditions in 8.2 shall be detained until the conditions are met in a subsequent supplementary or regular examination.

8.4 The total period for completing the programme must not exceed the maximum duration specified in Section 3.

9. RE-EVALUATION, SUPPLEMENTARY AND ARREAR EXAMINATIONS

9.1 A student who obtains RA or AB in a course shall reappear for the examination in that course in the immediately following examination session(s).

9.2 A student may apply for photocopy of the answer script and for re-evaluation, within seven days of publication of results, on payment of the prescribed fee.

9.3 Where re-evaluation results in a change of marks, the revised marks shall be taken as final. Where the difference exceeds the limit prescribed by the Controller of Examinations, a third evaluation shall be done.

9.4 Supplementary examinations may be conducted for final-year students having a limited number of pending courses, as notified by the CoE.

9.5 A student may apply for improvement of grade in not more than [two] theory courses, if the student wishes to improve a pass grade, within one year of completing the programme.

10. ACADEMIC INTEGRITY AND MALPRACTICE

10.1 Plagiarism, copying, impersonation, fabrication of data, or possession of unauthorised materials during an examination shall constitute academic misconduct.

10.2 Cases of malpractice shall be referred to the Malpractice Enquiry Committee, which shall give the student an opportunity to be heard. Penalties, depending on gravity, may range from cancellation of the paper concerned to cancellation of all papers of the semester, and, in serious cases, debarment for one or more semesters or dismissal.

10.3 Submission of project reports and assignments shall be accompanied by an undertaking of originality. Similarity beyond the limit prescribed by the institution (normally 15%, excluding references) shall require revision.

10.4 Use of generative AI tools in assignments and projects is permitted only as specified by the course instructor, and any such use must be disclosed.

11. DISCIPLINE AND CODE OF CONDUCT

11.1 Students shall maintain decorum on and off the campus, shall wear the prescribed identity card within the campus, and shall comply with the dress code notified by the institution.

11.2 Ragging in any form is strictly prohibited and is a punishable offence under law. The institution maintains an Anti-Ragging Committee and Squad as per UGC / AICTE regulations.

11.3 Harassment of any kind, including sexual harassment, is prohibited. Complaints shall be handled by the Internal Complaints Committee in accordance with applicable law.

11.4 Possession or consumption of alcohol, tobacco, narcotic drugs or other prohibited substances on campus is prohibited. Damage to institutional property shall be recovered from the persons responsible.

11.5 Violation of this code may attract disciplinary action such as warning, fine, suspension, or expulsion, as decided by the Disciplinary Committee.

12. LEAVE, WITHDRAWAL AND RE-ADMISSION

12.1 Leave of absence shall be applied for in advance, wherever possible, through the faculty advisor and HoD. Medical leave shall be supported by a certificate from a registered medical practitioner.

12.2 A student may be permitted to take a break of study for up to two semesters on genuine grounds, such as ill-health or entrepreneurship, with approval of the Principal. The break period shall be counted within the maximum duration of the programme.

12.3 A student who wishes to discontinue the programme shall submit a written request along with clearance of all dues. Fee refund shall follow the policy notified by the institution and by the regulatory authorities.

12.4 Re-admission after a break shall be allowed in the same or a revised curriculum, subject to equivalence determined by the HoD.

13. AWARD OF DEGREE, CLASSIFICATION AND HONOURS

13.1 A student shall be eligible for the award of the degree if the student has: (a) successfully completed all courses and earned the minimum credits prescribed; (b) completed all mandatory non-credit requirements, including internship; (c) obtained a CGPA of at least 5.0; and (d) no disciplinary action pending.

13.2 Classification shall be based on CGPA, and on completion of the programme within the normal duration, as follows:

Class	CGPA	Condition
First Class with Distinction	8.50 and above	Cleared all courses in first attempt within normal duration
First Class	6.50 to 8.49	Within the maximum duration
Second Class	5.00 to 6.49	Within the maximum duration

13.3 Rank certificates and medals shall be awarded only to students who complete the programme in the normal duration without any history of arrears or disciplinary action.

13.4 Students with a CGPA of 8.0 or above at the end of a given semester may be placed on the Dean's List, as recognition of academic excellence.

14. GRIEVANCE REDRESSAL AND INTERPRETATION

14.1 Students may submit grievances relating to academics, evaluation, or administration to the Grievance Redressal Committee, which shall respond within 15 working days.

14.2 The Principal may, in exceptional circumstances, relax any provision of these regulations in the interest of a student, with the approval of the Academic Council, provided it does not conflict with statutory requirements.

14.3 Any matter not specifically covered by these regulations shall be decided by the Academic Council, whose decision shall be final.

14.4 The institution reserves the right to amend these regulations from time to time. Amendments shall apply from the date notified and shall be communicated to students.

*** End of Regulations ***
