8. Valuation and Moderation
9. Results, Re-totalling and Re-evaluation
10. Supplementary Examinations and Arrears
11. Special Provisions

1. SCOPE AND EXAMINATION AUTHORITIES

1.1 These regulations govern the conduct of internal and end-semester examinations for all programmes of the institution.

1.2 The **Controller of Examinations (CoE)** is responsible for scheduling, conduct, valuation, result publication, and confidential records. The **Examination Committee**, chaired by the Principal, oversees policy and resolves exceptional cases.

1.3 The **Chief Superintendent** is in overall charge of each examination centre, assisted by **Hall Superintendents**, invigilators, and the flying squad.

2. TYPES OF EXAMINATIONS

2.1 **Continuous Internal Assessment (CIA):** periodic tests, assignments, quizzes, and laboratory records conducted by the course instructor.

2.2 **End-Semester Examination (ESE):** a written examination covering the whole syllabus, conducted centrally by the CoE.

2.3 **Practical / Viva-voce Examinations:** conducted by one internal and one external examiner appointed by the CoE.

2.4 **Supplementary / Arrear Examinations:** conducted for students who have failed or been absent in earlier attempts.

2.5 **Project Evaluation:** reviews held during the semester followed by a final viva-voce before a committee including an external expert.

3. ELIGIBILITY AND REGISTRATION FOR EXAMINATIONS

3.1 A student is eligible to appear for the ESE only if he or she satisfies the attendance requirement, has completed the required internal assessments, and has no pending dues or disciplinary action.

3.2 Examination registration must be completed within the dates notified by the CoE, with payment of the prescribed fees. Late registration is permitted only with a late fee until [three] days before the first examination.

3.3 Hall tickets shall be issued only to eligible students and must be produced at every examination along with the college identity card.

3.4 A student whose name does not appear on the registration list shall not be permitted to write the examination under any circumstance.

4. EXAMINATION SCHEDULE AND TIMETABLE

4.1 The tentative examination timetable shall be published at least [three] weeks before the commencement of the examinations; the final timetable shall be published at least [one] week before.

4.2 Each theory examination is of three hours' duration unless otherwise specified. Reporting time is 20 minutes before the start. Candidates shall not be admitted after 30 minutes from the start and shall not leave the hall during the first 60 minutes.

4.3 Changes to the timetable are made only by the CoE with the approval of the Principal, and shall be communicated through the official notice board and website.

5. INTERNAL ASSESSMENT PROCEDURE

5.1 Internal marks shall be awarded transparently. Evaluated answer scripts and marks must be shown to students within [seven] working days of the test, with an opportunity to raise queries.

5.2 The distribution of internal marks for a theory course is as follows:

Component	Marks	Remarks
Periodic Test 1 and 2 (best / average)	25	Conducted by the department
Assignments / Case studies	10	Rubric-based evaluation
Attendance	5	Slab-based allocation
Total (CIA)	40	Submitted to the CoE before ESE

5.3 Marks for attendance are awarded as: 75-79% = 1; 80-84% = 2; 85-89% = 3; 90-94% = 4; 95% and above = 5.

5.4 Internal marks, once submitted to the CoE, shall not be changed except by the Examination Committee on a written request from the HoD.

6. CONDUCT OF END-SEMESTER EXAMINATIONS

6.1 Candidates must occupy the seat allotted to them. Seating arrangements shall be displayed outside the examination hall 30 minutes before the start.

6.2 Only items permitted by the CoE (pen, pencil, geometry box, approved calculator, and any specific material allowed for the paper) may be brought into the hall.

6.3 Mobile phones, smart watches, earphones, and electronic devices are strictly prohibited and shall be deposited outside the hall. Possession inside the hall is treated as malpractice.

6.4 Answer booklets shall be issued with a unique serial number. Candidates must write the register number only in the space provided, and shall not write their name or leave any identifying mark on the answer sheets.

6.5 Additional answer sheets shall be issued only by the invigilator, and must be tagged to the main booklet.

6.6 Candidates who feel unwell during the examination shall inform the invigilator, who will arrange medical assistance. Extra time shall not ordinarily be granted.

6.7 Differently-abled candidates may avail themselves of a scribe, extra time (up to [20] minutes per hour), and other facilities as approved by the CoE on prior request supported by a valid certificate.

7. MALPRACTICE AND DISCIPLINARY ACTION

7.1 The following acts, among others, constitute malpractice: copying from another candidate; possessing notes or electronic devices; impersonation; tampering with answer sheets; communicating with others in the hall; and misbehaviour toward examination staff.

7.2 The invigilator shall seize the evidence, record a statement of the candidate, and report to the Chief Superintendent immediately, allowing the candidate to complete the paper.

7.3 The Malpractice Enquiry Committee shall give the candidate an opportunity to explain and shall recommend penalties as follows:

Nature of Offence	Normal Penalty
Possession of unauthorised material, not used	Cancellation of that paper
Copying / use of unauthorised material	Cancellation of all papers of that session
Impersonation / tampering with answer sheets	Cancellation of all papers; debarment for one to four semesters
Violence or threat to staff; repeated offences	Expulsion from the institution

7.4 The decision of the Examination Committee shall be communicated in writing, and the student may appeal to the Principal within [seven] days.

8. VALUATION AND MODERATION

8.1 Answer scripts shall be coded (dummy numbers) and valued by faculty appointed by the CoE, following a scheme of valuation approved by the Board of Examiners.

8.2 Where the difference between two valuations exceeds [15] per cent of the maximum marks, a third valuation shall be conducted and the average of the nearest two marks shall be taken.

8.3 Moderation of marks, where required to ensure uniform standards, shall be done by the Result Passing Board and recorded in its minutes.

8.4 All persons involved in valuation shall maintain strict confidentiality and shall not communicate marks to students before the official publication of results.

9. RESULTS, RE-TOTALLING AND RE-EVALUATION

9.1 Results shall ordinarily be published within [30] days of the last examination, through the student portal and the notice board.

9.2 A student may apply for a photocopy of the evaluated answer script within [seven] days of publication, and, after viewing it, for re-evaluation within [three] days, on payment of the prescribed fee.

9.3 Revaluation applies to theory courses only. The revised mark shall be the final mark, whether higher or lower, except where the difference is within the permitted tolerance.

9.4 Errors in totalling or transfer of marks, when detected, shall be corrected without a fee.

9.5 A provisional mark statement is issued after each semester. Consolidated mark statements, a provisional certificate, and the degree certificate shall be issued after completion of the programme, subject to clearance of dues.

10. SUPPLEMENTARY EXAMINATIONS AND ARREARS

10.1 A student who obtains RA (reappear) or AB (absent) shall appear for the failed course in the next available examination session.

10.2 The maximum number of attempts for a course is [six]. Students who exhaust the permitted attempts shall be discharged from the programme, unless the Academic Council permits otherwise.

10.3 The internal marks earned in the course shall be retained for subsequent attempts; a student may choose to re-do the internals by re-registering for the course.

11. SPECIAL PROVISIONS

11.1 A student who is absent in the ESE on account of serious illness, bereavement, or similar grounds may apply for a special examination within [seven] days, supported by documents, which may be granted by the Principal on the CoE's recommendation.

11.2 In the event of public emergencies, natural calamities, or other unforeseen situations, the CoE may reschedule or modify the mode of examinations as approved by the Principal and Academic Council.

11.3 Any matter not covered by these regulations shall be decided by the Examination Committee. Its decision shall be final.
